DISCOVER THE EXQUISITE ARRABELLE CHALET 655

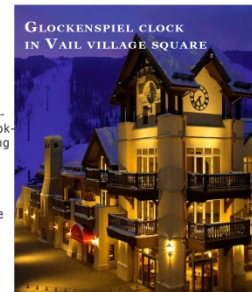

Arrabelle Chalet 655 at the Arrabelle Resort in Vail combines the elegance of Europe's grand resorts, with distinctive alpine touches

Occupying an entire wing of the Arrabelle Resort, this elegant 4,000 sq. ft. penthouse is arguably the best ski-in / ski-out location on Vail Mountain – just steps from the gondola and overlooking Vail's romantic village setting with fine restaurants, charming shops and an ice skating rink.

The irresistible Chalet 655 offers five bedrooms (two master suites), a stunning kitchen with marble counter tops, a stately octagon sitting room with a wrap-around balcony and expansive views of the mountains, ski runs and the Glockenspiel Clock in Vail Village Square.

Experience Vail in a magical setting.
